Mr. Turner,

My experience with you today has been one to remember. Through your preaching, you allowed me to see more and more that there is a GOD and He does love me as one of His children. I would once tell you I do not believe in God and due to recent circumstances I have been shown I was a lost child and needed saving. Thank you for taking time out of your day to lead me in the direction I need to go to get closer to my Lord and Savior. I have recently started reading my Bible more every night. Thank you for your time and GOD BLESS.

-Colby H.

Colby was born again as part of the fruit we reaped for 5 years of preaching in a large (500) county jail in Alabama.

Dear Friends,

I did something this last quarter I've never done in the 36 years I've been full-time in the prison ministry...I gave away an approved prison revival day, after waiting over 12 years to get it.

I started in this prison January 1987. About 2 years ago, we were allowed by the new warden to do what no one has ever done in a solitary confinement area...preach (1 Cor. 1:21).

The immediate problem was the associate warden and all his staff didn't like it, and they let us know without saying a word (Mat.. 26:73). The resistance was thick and heavy to the point that they interrupted the services every time in every way they could without actually stopping us, and thus openly defying the warden's directive. We knew something was going to break, and they intended it to be us.

I've seen this kind of thing before and, trust me, the devil can and will set you up to get the gospel out (1 Pet. 5:8). It was coming, and you could feel it, so we diffused the situation by giving up one of our approved revival days for peace, and what a difference it made (Jm. 3:14-18).

PRISON & JAIL REPORT: St. Clair, AL – **24 saved**. Northeast, TN – **1 saved**. Marion, VA – **0 saved**. Bledsoe, TN – **7 saved**. Livesay, TN – **0 saved**. Red Onion, TN – **1 saved**. L.C.I., OH – **1 saved**. Butler Co. Jail, OH – **2 saved**. **(36 TOTAL)**

A soldier for Christ,

Dr. Dave Turner,
Director

STUDENT TESTIMONIES:

The Narrow Place

Confining positions. What an awesome God! Praise God, magnify His mighty name in Lord Jesus Christ. Thanks again, God used you well, sir. This book sure hit the mark. God used this work to deliver His Word.

Basic Training

I was saved as a preteen in our small Mississippi church. However, I didn't really fully commit to Christ and live fully for Him until a couple of years ago. I've wasted so much time and effort but hope to do all I can to live for Him during my remaining years on Earth. I want to know Him better. I yearn for His Word and let His light shine through me!

Impeccability of Christ

This was a good course. I learned some new and interesting things about the deepness of Christ's impeccability, the truth of this matter, and the lie about it that Satan tries to make us believe. I liked it a lot!

The Second Coming

This course has taught me to watch and pray more. To look for Jesus' return and to be ready. Not to be asleep. Allow God's work to be done in me during the nighttime. Morning comes soon.
